

PENNY WARS

Are You Ready for 'Penny Wars?'

You are challenged to participate in Penny Wars, a fundraiser in conjunction with the Fighting Irish Fighting Hunger food drive to benefit the Food Bank of Northern Indiana and United Way's People Gotta Eat.

Here's How It Works:

- Divide your office into teams. Teams can be broken up any way (by floor, department, men vs. women, etc.)
- Your team goal is to collect as many pennies as possible toward your total. Each penny you collect is worth one positive point.
- Your team can also collect "silver" coins — nickels, dimes, and quarters — that you can then use to sabotage competing teams. Nickels deduct 5 points from your challengers' point totals, dimes deduct 10 points, and quarters 25 points.
- Checks can be used but they are considered "silver" coins — so remember to put it in the other team's container.
- The #1 rule is to have fun! The competition is for bragging rights only.
- You can attempt to sabotage as many competing teams as you like.

Please Note:

- Every \$1 collected will provide up to 7 meals.
- Checks may be used for "silver" coins and should be made out to "Food Bank of Northern Indiana".
- We'd love photos of your fundraising efforts. Please e-mail them to fightinghunger@nd.edu.
